

## AMILLA GLAMPING

Restorative. Romantic. Grounding. Calling all nature-lovers: we have created a bedroom under the stars for you!

Located in a secluded spot amongst the jungle foliage, our luxurious, fully waterproof and climate-controlled inflatable pod offers you a uniquely immersive nature experience - with 360 degree views of the scenery!

As a refined form of camping known as 'glamping'; this chic and hip experience includes access to a well-appointed bathroom, showers (indoor and outdoor), a plunge pool, steam room and sauna.

Personalise your stay by choosing from one of the three packages available and immerse yourself in the only experience of its kind in the Maldives. An experience of living in harmony with nature that you'll remember for the rest of your life.
